In response to the County and State "shelter in place" orders, the Governor issued an order expanding his prior waiver of normal Brown Act requirements. Executive Order N-29-20, issued March 17, 2020, authorizes all-electronic meetings without a physical location for agency officials or members of the public. The published agenda must advise the public of the means by which it may participate in the meeting and of a procedure by which disabled persons may submit requests for accommodation or modification. The order does not suspend notice requirements.

Executive Order N-29-20 is effective while state and/or local public health officials have imposed or recommended social distancing measure. The District must prioritize public health and containing the spread of the Covid-19 virus, which precludes holding physical public meetings. The District will comply with the usual Brown Act requirements to the extent compatible with the directives and recommendations of state and local health officials. We appreciate your understanding.

KPPCSD Meeting Minutes October 8, 2020 Page 3 of 5

Interim General Manager Lindsay summarized the recommended action. In addition to adding the recordings of meetings as a permanent record, he said the minutes will include a time stamp to indicate when the discussion topic begins on the recording.

The following persons provided public comment: 1) Lynn Wolter asked if an ordinance on document retention superseded something in the policy manual and also asked if minutes would be kept in perpetuity; and 2) David Bergen reported that he has maintained videos of board meetings and suggested that the recordings should be transferred on to newer media as time goes by.

Following Board discussion, there was consensus to give direction to staff to prepare amendments to KPPCSD Policy 1055 described in agenda Item 2, and to consider Director Nottoli's suggestion to keep the first sentence of 4140.1.2 and add to the end "and kept pursuant to Records Retention Policy 1055.5 and delete 4140.1.3 in its entirety." President Deppe and General Counsel Danforth will work together to develop amendments to the policy.

3. [TS 1:30:30] Consider Approval of a Payment to Lamorena & Chang in the Amount of \$10,495 For Previously Unbilled Audit Services Necessary for Compliance with Governmental Accounting Standards Board (GASB) 68 and 75 Related to Determining the Value of Expected Post-Retirement Benefits (OPEB).

Interim General Manager Lindsay reported that in preparing the final billing for FY 2018-19 audit services, Steven Chang, of Lamorena & Chang, discovered that he had inadvertently neglected to bill the District for subcontracted work that was necessary to render an opinion on the District's financial statements. Specifically, he neglected to bill the District for subcontracted work provided by an outside accounting firm that were necessary to prepare a report in compliance with Governmental Accounting Standards Board 68 and 75. The total cost of services that were inadvertently unbilled is \$10,495.

- Motion by Director Hacaj that we authorize the payment of \$10,495 to Lamorena & Chang to pay for these supplemental services related to audit services. Director Sherris-Watt seconded the motion. The motion carried (5-0) by the following roll call vote: AYES (Directors Sherris-Watt, Modavi, Hacaj, Nottoli, and Deppe) and NOES (None).
- 4. [TS 1:35:48] Consider Approval of a Contract with Nigro & Nigro PC to Provide Financial Audit Services for the Fiscal Years Ending June 30, 2020 through June 30, 2024 for an Annual Cost of \$15,500, a Total Cost of \$77,500 Over the Five-Year Period.

Interim General Manager Lindsay reported that a Request for Proposal (RFP) was distributed to qualified firms for financial audit services. Based on the proposals received and the recommendation of the ad hoc committee (President Deppe and Vice President Sherris-Watt), the staff recommendation is to approve a contract with Nigro & Nigro PC to provide financial audit services for a five-year period.

The following persons provided public comment: 1) A. Stevens Delk asked if the audit tables of the new auditor will allow for comparative analysis to previous audit reports.

KPPCSD Meeting Minutes October 8, 2020 Page 4 of 5

• Motion by President Deppe that we approve the contract with Nigro & Nigro PC to provide financial audit services for fiscal year ending June 30, 2020 through June 30, 2024 for an annual cost of \$15,500, a total cost of \$77,500 over the five-year period, and that we direct Attorney Danforth to draw up the contract. Director Nottoli seconded the motion. The motion carried (5-0) by the following roll call vote: AYES (Directors Sherris-Watt, Modavi, Hacai, Nottoli, and Deppe) and NOES (None).

The final contract will be provided to the Board and placed on the KPPCSD website.

5. [1:53:47] Receive an Update on the Current Status of the Architectural Design Process for Housing Both the Kensington Fire Department and the Kensington Police Department in the Public Safety Building.

Interim General Manager Lindsay reported that on September 17, 2020, KPPCSD staff received from the architect's draft conceptual plans for a new Option D for the renovated Public Safety Building. This conceptual plan incorporates an elevator and a wheelchair lift, and has a redesigned space on the ground floor to improve the layout of the Kensington Police Department based on prior comments from the department. The ground floor also incorporates the Kensington Fire Department's preferred layout for the apparatus bays and support spaces. The conceptual design encloses the outdoor deck area, and includes modifications to meet accessibility codes.

Additionally, on October 1st, Police Chief Walt Schuld and the General Manager met (virtually) with the architects to review the new Option D conceptual design. Police Chief Schuld provided input to the architect related to Police Department needs: need for a mandatory secure computer room; design of the evidence room; number of work stations for police personnel; space for volunteers/cadets; location of firearms clearance tube and safe; storage spaces for files, office equipment, etc.; prisoner processing area, which needs to conform to DOJ requirements; department access from the upper parking lot; inclusion of a Live Scan area; and the need for a secure interview room. These issues have been proposed as the subject of future discussions among police and fire management and the architects. Mr. Lindsay reported that he had requested the architect's estimated schedule for completion of the architectural design and construction of the renovated Public Safety Building.

- The following persons provided public comment: 1) Larry Nagel, Co-Chair Building Committee at KFPD, commented they are not allowed to increase the footprint of the building so moving an elevator outside is not an option; and 2) Jim Watt commented asked about the having a handicap parking space on second floor. Mr. Nagel said providing handicap parking would not meet ADA requirements.

Mr. Lindsay said staff would provide an update at the next Board meeting.

ADJOURNMENT

President Deppe adjourned the meeting at 9:45 p.m.

KENSINGTON POLICE PROTECTION AND COMMUNITY SERVICES DISTRICT

BOARD OF DIRECTORS MEETING October 20, 2020 ITEM 4

SCHEDULE FOR COMPLETION OF ARCHITECTURAL DESIGN AND CONSTRUCTION OF RENOVATED PUBLIC SAFETY BUILDING

SUMMARY OF RECOMMENDATION

Receive an update from the general manager regarding the architect's estimated schedule for completion of the architectural design and construction of the renovated Public Safety Building.

BACKGROUND

The architectural firm of RossDrulisCusenbery (RDC) was initially engaged by the Kensington Fire Protection District (KFPD) to design a necessary renovation of the KFPD Public Safety Building (PSB). On September 11, 2019, RDC presented a design for the PSB that housed only the KFPD. After that, the KPPCSD pursued the idea of having RDC develop a design that would house both departments in the current PSB, and subsequently worked with both the Fire District and RDC for permission to engage RDC.

At its meeting of January 23, 2020, the KPPCSD Board, with the concurrence of the KPFD, approved an agreement with RDC in the amount of \$15,673 for their firm to develop a design for the renovation of the Public Safety Building that could accommodate space needs of both KPFD and the KPPCSD Police Department. It was understood that there was no guarantee that this work by RDC would result in a feasible design, but the Board majority felt that it was worthwhile to fund this important additional attempt at a solution.

During the course of the work by RDC, several technical design issues arose that required additional analysis and meeting(s) with the Contra Costa County Building Official. These issues involved accessibility and seismic requirements for the renovated Public Safety Building, and were outside of the original scope of work contracted for by KPPCSD. To continue this architectural analysis, the KPPCSD provided additional funding for an Extra Service Request (ESR 001), with the cost of that ESR split evenly with the Fire District. The cost to each agency was approximately \$13,000.

On September 17, 2020, KPPCSD staff received from the architect draft conceptual plans for a new Option D (attached) for the renovated Public Safety Building. This conceptual plan incorporates an elevator and a wheelchair lift, and has a redesigned space on the ground floor to improve the layout of the Kensington Police Department based on prior comments from the department. The ground floor also incorporates the Kensington Fire Department's preferred layout for the apparatus bays and support spaces. The conceptual design encloses the outdoor deck area, and includes modifications to meet accessibility codes. Since receiving this Option D, KPPCSD staff have participated in discussions with the architect regarding the conceptual design.

In response to a request by KPPCSD staff, the architects provided a schedule (attached) for general planning purposes that describes the activities and timetable from now through project completion, assuming that there are no unforeseen obstacles. In providing this schedule, the architect noted that,

"This draft schedule is based on durations, not dates, and should be calculated from the formal date we receive Notice To Proceed (with detailed facility design)."

As noted in the draft schedule, the duration of the design phase is approximately 11-12 months from the notice to proceed with this phase, followed by a bid/construction phase of 14-16 months, and a total project duration of 28-30 months.

RECOMMENDATION

Receive an update from the general manager regarding the architect's estimated schedule for completion of the architectural design process and construction of the renovated Public Safety Building.

FISCAL IMPACT

The initial contract between KPPCSD and RDC was for the amount of \$15,673; the ESR approved by the KPPCSD Board was for an additional \$13,000; and the General Manager authorized a \$3,000 increase to the amount of the ESR. The total cost to date, then, for architectural services by RDC based on these authorized expenditures to date is approximately \$32,000. Funding is from budgeted capital funds.
